

## Solid Edge 2019

Certified Associate  
Professional

*Where today meets tomorrow*

[solidedge.siemens.com](https://solidedge.siemens.com)

### Cendón Lucas

This certifies that the recipient has been awarded the level of **Solid Edge Certified Associate Professional**

#### Solid Edge

- Solid Edge is a Portfolio of affordable, easy-to-use software tools that address all aspects of the product development process. Solid Edge combine the speed and simplicity of direct modeling with the flexibility and control of parametric design-made possible with synchronous technology.
- New features in solid Edge 2020 such as augmented reality, expanded validation tools, model-based definition, and 2D Nesting, combined with extensive enhancements to core CAD capabilities, enable enhanced collaboration and the ability to completely digilize the design-to-manufacturing process.
